

V.G.ENGINEERS

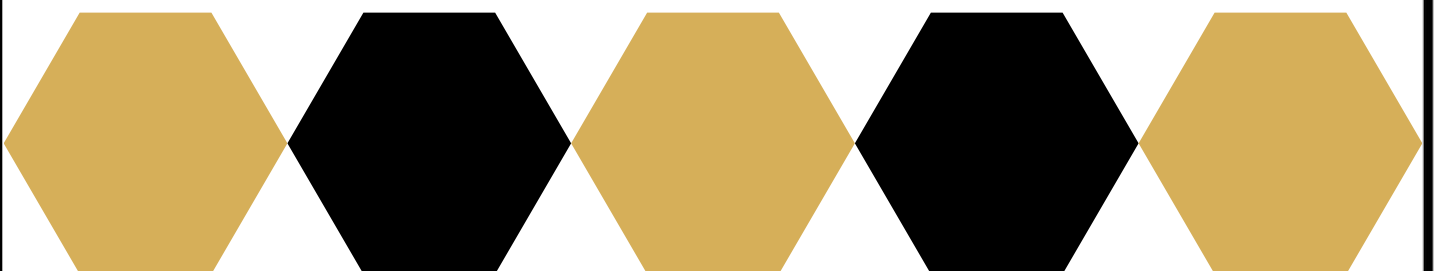

“Fasteners designed for innovation”

We are a dedicated manufacturer of Industrial Fasteners, operating successfully.

Our manufacturing facility is located in Vasai, just 50 km from the nearest seaport and airport, enabling efficient logistics and timely deliveries.

Our expertise lies in manufacturing a complete range of fasteners conforming to IS, ASTM, ISO, DIN standards, along with customized fasteners made precisely to customer drawings and specifications.

We maintain strict adherence to technical specifications and ensure zero deviation in quality and compliance.

ISO 9001:2015 CERTIFIED COMPANY
